

## Tom's Christian Tours Commitment To Our Travelers During This Time of Pandemic

We understand that making plans to travel in the future may be difficult at this time. Please know that:

- Safety for our travelers is our utmost concern and top priority.
- We have been monitoring, and will continue to monitor, the ever-changing safe practices and travel advisories.
- We will work closely with our coach companies, hotels, and attractions so we are assured that safe practices are in place during our entire upcoming tours.
- Each future tour is on a "wait-and-see" basis. Registered participants will be notified, as soon as we know, that a tour will not be able to depart.
- If a tour needs to be cancelled due to concerning health matters, a 100% refund will be issued for the tour. (An exception may be European tours.)

We are thankful to our loyal customers who have tours booked with us. We hope that our returning travelers, as well as new travelers, will plan to join us as we look to more adventures together.

We appreciate all who put your confidence in us at Tom's Christian Tours. We are excited to get back on the road with you soon!
