IMMUNIZATIONS: At this time, proof of a current COVID immunization is not required.

TOUR: As you peruse the itinerary, you'll read about the beautiful sightseeing and exciting activities we've included. In June the weather in Alaska can vary. Sometimes it is even warmer than Wisconsin! The weather is unpredictable, possibly spring-jacket warm, and likely to have some sun and some rain. The animals are still down lower, waiting for the snow to melt during a normal year. There are possibilities to see bears, moose, Dall sheep, and bald eagles. Whales, seals, puffins, and otters often frolic near the boat on our glacier cruise. We will see glaciers and Denali, if the weather is good. Daylight hours will abound!

PRICES: We are pleased to announce that the exciting 13-day tour **price per person** with double occupancy is \$4700; the tour price per person with single occupancy is \$6150, with triple \$4200 and with quad \$4000. **These prices include** roundtrip shuttle from the Fox Valley, tips for the shuttle driver, roundtrip flights, deluxe coach transportation throughout Alaska, lodging, plus sightseeing, attractions, activities, and meals as listed in itinerary. **Not included in the price** are the following: tips for the Alaska driver, TCT tour guides, meals and activities **not** listed in itinerary, travel insurance, and checked luggage fees charged by the airline.
