Day 2: Tuesday, October 29, 2024 Reykjavík, Iceland - Tour Begins Your tour opens in Reykjavík, Iceland's capital city. Make yourself comfortable at your hotel upon arrival, as your rooms are ready for an early check-in and breakfast awaits you. This afternoon, get acquainted with old town Reykjavík with a local guide on a walking tour featuring the harbor, city hall, the Parliament building, and the nearby cathedral, dating back to 1796. Gather with your fellow travelers at a popular restaurant for dinner featuring Icelandic cuisine. This evening, take an exhilarating northern lights cruise** and sail into the darkness of Faxaflói Bay in search of the aurora borealis.* (B, D)

Day 3: Wednesday, October 30, 2024 Reykjavík-Golden Circle-Lava Exhibition Center-Seljalandsfoss-Vík This morning, travel the Golden Circle to experience natural wonders, including the explosive Geysir thermal area and the double-cascade Gullfoss waterfall. You'll also experience the famous Thingvellir National Park, where you'll stand upon the crest of the Mid-Atlantic Ridge. In the afternoon, stop at the Lava Exhibition Center and delve into Iceland's past and present volcanic eruptions. Afterward, witness Seljalandsfoss, a rushing waterfall where you may walk behind the water for unique views from the inside out. Next, continue onto Vík. Drive or venture on foot into the stillness of rural Iceland in search of the northern lights. Afterward, stand in awe before the impressive Skógafoss waterfall, one of Iceland's biggest and most beautiful waterfalls. IDENTIFICATION

Passports are required for this tour at your expense. Certain countries require that your passport be valid at least 6 months beyond the dates of your travel. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that travelers take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Effective for travel in 2024, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

*The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. **As this tour is weather dependent, sightings of the northern lights are not guaranteed.**

Single accommodations are limited and are available on a first come, first served basis.

Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods. Due to the remoteness of the sites we visit, the travel time between restrooms may be up to 2 hours.

**The northern lights cruise is weather dependent and may be postponed or cancelled in the event of adverse weather or sea conditions.

This tour takes place in the winter. You can expect varying weather conditions with brisk days and limited daylight. We seek to best utilize your time while on tour; to account for the potential for adverse weather, some activities or days may need to be altered, shifted, or cancelled. In addition, museum visits and shopping may be affected by observance of religious or local holidays.

Hotel check-in will be immediately available on your arrival day. If your flight arrives in the early morning, breakfast will be included once you arrive to your hotel.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, Zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure. While you are searching for the northern lights, you will be walking and waiting outdoors. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves. Most natural sites such as waterfalls, beaches, and lava fields require walking on unpaved, uneven surfaces rendered slippery by ice and rain. Sturdy footwear and ice crampons are required if you plan to walk in these areas or approach the waterfalls.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to flight schedules, a post night may be required in some Icelandair gateway cities (at an additional cost). Please inquire at time of reservation.

Experience It! The Northern Lights

Each year, during the winter months, travelers journey to Iceland and venture out into the dark to see the magical but elusive northern lights (aurora borealis). This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere; the results are spectacular. Streaks of colorful light appear across the sky. The colors can vary from white to pink or purple and, most commonly, green. It is known that the best time to witness the lights in Iceland is from late September to mid-April, when the nights are the longest. This light show is truly dazzling and worth the pursuit.

Fall 2023

Dear Travel-loving Friends,

We are excited to offer our second Iceland tour in 2024. **Iceland's Magical Northern Lights** is scheduled for **October 28- November 3, 2024**. This will be the exact tour we are taking the week before to Iceland. One difference from the tour that we booked earlier is that there has been a slight price increase. Also, Scott and Tammy will not be accompanying this tour since we will have just returned from Iceland. There will be an airport shuttle originating in Fond du Lac to O'Hare in Chicago as well as a full time guide at your arrival in Iceland.

As you can see, this tour offers an exciting day-by-day itinerary, plus many tour highlights and inclusions. Some of the highlights consist of a northern lights cruise, three nights of evening excursions in search of the northern lights; Gullfoss waterfall; the Golden Circle; the Blue Lagoon, and so much more. Eleven meals are included as well as a fulltime guide with the group. We know you'll agree that it's a fabulous tour with many wonderful extras.

Roundtrip air from Chicago, including taxes and fees, is all part of the price of \$3,779 (per person, double occupancy), \$3,729 (per person, triple occupancy), and \$4,379 (for a single occupancy). **Now is the time to register as seats are limited!**

Iceland's Magical Northern Lights is a medium paced tour. You will need to walk about one to two miles on some days on uneven surfaces and some stairs. Ability to walk and stand for 1-2 hours is required. Please read the activity level information carefully in the brochure.

All registrations can be done online. Check the link that says "Sign Up Now!" and it walks you through the registration. If you want to register, but cannot do it online, contact us and we can help. Note that Travel Protection can also be purchased through Collette.

Call or email Tom's Christian Tours if you have any questions. We certainly hope you will take this opportunity to enjoy **Iceland's Magical Northern Lights** in 2024 with other Tom's Christian Tours friends.

In Christian joy,

Scott and Tammy Monroe
